"She is
absolutely
amazing"

"Let me tell you about Jess! She is absolutely AMAZING!!! It was such an honor to have her as our photographer to capture the best day of our lives! Jess took our engagement photos & our wedding photos. When she says "magical" in every shot she was not lying! She sent us our wedding preview that same night & we just received all of our photos but let me tell you they are MAGICAL!!! I would recommend her to everyone & anyone who hires her for their special day will not be disappointed!"
-Desiree

"Hire Jess!"

"Listen... when planning a wedding, i understand, shopping around for vendors; it can be a very competitive, and overwhelming world. However, having jess capture the biggest day of your life, should be an absolute no brainer for you! you know that type of person you first meet, and you instantly know you're going to be great friends... that's jess. i've never met someone, who is more dedicated to you and your wedding, then her. Jess spends TIME with you, gets to know you and your spouse. when it comes to your big day, she will be your best friend, your body guard, your hype girl, your dance partner. the one who will fix your make up, after you bawl your eyes out together, and tell that groomsman who keeps messing around, to straighten up. she does ALL of this, as she honors you, with her gift of photography. she is hands down, the most talented photographer, I have ever come in contact with. She makes you feel so beautiful, she captures moments you won't get to see, She rewrites your wedding day, piece by piece, from her perspective. It's so vivid, and brings it back to life, over and over again. Hiring Jess as our photographer, was a nonnegotiable for us, but we got so much more then just photos! Hire Jess, It will be the best decision of your life!! you are a gift Jess, thank you for everything!" -Taylor S.

1 WHY PHOTOS ARE IMPORTANT

WHEN YOU LOOK BACK AT YOUR WEDDING IN 30 YEARS...

The only things you're going to have are your memories, maybe a video, and the photographs documenting your special day. I can't even tell you how many people have come up to me and said "I wish I would have Invested more In my wedding photographer. I hate how my photos turned out." You only get one chance to fully capture the day, so make sure you book someone who Is going to do It properly.

Sure photography can be expensive, but having someone who knows what they are doing can put you at ease. You know that every detail of your wedding Is going to be captured, every shot on your list will be taken, and you can relax on a very stressful day, knowing you don't need to worry about your photographer.

My goal Is to provide memories that will last a lifetime. I want you to look back fondly on the best day of your life!

1 THE EXPERIENCE

WHEN YOU BOOK WITH ME...

You get a best friend who will help you with all of your wedding needs! You need vendors? I got you! You need someone to help you plan a timeline? I'm your girl! I'll help manage all the wedding stress you may have, and even help you put your garter on If you need It!

After signing your contract and paying your 25% retainer, you will receive a wedding guide that explains all things photography related, and Includes sample timelines and suggestions on when to plan events on your wedding day. If you booked a package that Includes an engagement session, we start planning!

With any problem that arises during planning, I will be there to help you navigate any situation. We will have a planning consultation, and another final meeting to go over everything from shot lists, to your Pinterest board, to what family members I should look out for on your big day!

When you are shooting with me, I make sure to make it all about the two of you! I let all my couples know that my prompts are WEIRD! I like to make you and your partner laugh, frolic around, drunk walk, and just encourage you to be authentically who you are!

Wedding and engagement photos shouldn't try to emulate models in magazines, they should capture your love and who the two of you are as a couple.

THE
EXPERIENCE
CONTINUED

My goal is for the two of you to relax, trust the process, and have a few laughs along the way. My ideal couple is one that truly loves one another, and isn't afraid of who they are. I cannot wait to capture all of the majestic moments!

I GET TO KNOW ME

WHO'S THAT GIRL?

It's Jess!

Hello! I'm Jess, a Legend of Zelda loving nerd who loves watching people fall in love and kiss a bunch for a living! I'm obsessed with tacos, gourmet ice cream, and asking people what they love most about their significant other! In 2019 I married the love of my life and have been spending my free time renovating our forever home in OC.

THAT'S WHAT SHE SAID!

I often quote "The Office" too much, ugly laugh for the sake of your photos, and will ask you too many questions about your fur babies! After what feels like a billion years of shooting, I still feel giddy when shooting couples and weddings! Everyone's love story is unique to who they are, and as a sappy romantic, I can't wait to capture yours!

"Highly Recommend!"

I had Jessica do my engagement shoot and was the photographer for my wedding as well. I'm not the most photogenic person, but Jessica makes you feel so comfortable and knows exactly what poses/looks will look amazing on camera. She made my husband and I feel so comfortable and the shoots were so much fun! Her photos turned out AMAZING and I could not have been more happy with how all the pictures turned out. HIGHLY RECOMMEND! -Kelley

IFREQUENTLY ASKED

ANSWERS TO ALL OF YOUR QUESTIONS

Q: “How many images do you deliver?”

A: I promise to deliver at least 75 images per hour for weddings and events. My average wedding usually ends up between 900-1300 photos depending on the number of hours and photographers. For engagements, I normally deliver 75-150 photos on average, depending on the package.

Q: “How do you deliver our images?”

A: Everything is delivered on pic-time.com. You will have a private online gallery where you can share, download, and print your images.

Q: “When should we expect to get our photos back by?”

A: For engagement or couple sessions, you will receive them within 2 weeks. Weddings have a 4-6 week turn around time and you should expect sneak peeks anywhere from the night of your wedding to three days after.

Q: “Can we add additional hours on our wedding day?”

A: If you decide I’m just way too much fun on the dance floor and want me to stay a little longer, you can keep the party going for an additional \$250 an hour! Just let me know before I start to pack up my stuff!

Q: “Before we book with you can we see full galleries?”

A: ABSOLUTELY! I highly recommend you ask every photographer you talk to for full galleries so you can get an idea of what to expect.

Q: “We love the light and airy style, can you change your editing to match that?”

A: When you book with me, you’re hiring me for my style and brand. If you aren’t in love with my editing style, that is okay! We may not be the perfect fit, but I can recommend some AWESOME people who will be able to match what you’re looking for!

Q: “What do you require for a deposit?”

A: I require a 25% non-refundable retainer to hold your wedding or session date. The rest of the payments are due a lot closer to your wedding or session.

Q: “Do you charge travel fees?”

A: I do for any venue outside of 50 miles from my home. These fees pay for gas, overnight stays (if required), and other expenses!

"BOOK HER QUICK"

"Beyond talented! I did my engagement photos and wedding day with Jess, I'm unbelievably satisfied (kind of obsessed actually) with my photos. We have sooo many favorite photos (hundreds!!). Her work is breathtaking. Jess is so fun to work with too. Her prompts really brought out our smiles. She made us comfortable so our pictures are very natural. Sometimes I even forgot she was there even though she was like 2 feet next to us. Her composition and artistry is magical. She's truly a majestic third wheel. You're going to want her as your BFF when you're done. HIRE JESS, book her quick because she's that amazing! Also, same day preview!!" -Janel P.

NEXT STEPS

After this email, if you would like to move forward I require a 25% non-refundable retainer to hold your date. I will also send a contract your way that needs to be signed and dated. IT'S OFFICIAL, you're in the books!

Then we celebrate! I'll send you a really fancy wedding guide that has A TON of information in it for you! If you booked a wedding package that included an engagement session, we start planning for that! I'll ask what your vision is, and send you a bunch of options for places to shoot!

After we finalize all of those important items, we start building your timeline. Do you want to do a first look? Are you getting ready at your venue? We'll go through your day hour by hour and make a fool proof timeline to fit every major event in!

A little closer to your wedding date, I will send you a questionnaire. This is to get all of your information on your vendors, timeline finalization, and any "MUST HAVE" shots that you need on your big day!

After all of that planning, it's time to get married! I'll make sure to capture all of the majestic moments on your big day and celebrate along side you!

LET'S CELEBRATE!
